Amsterdam, Sept. 19.—The Germans facing the Americans, southwest of Metz, are on the Michael line, construction or which was begun in 1916, according to a statement given out in Berlin and which is published by the German press.

The "plain and unvarnished truth" about the evacuation of St. Mihiel salient is declared by the newspaper to be contained in the statement which is made public "to correct erroneous impressions."

"The German troops," says the statement, "have retired to the Michael line, which is the name of the position on the chord of the St. Mihiel bend. A beginning was made in 1916 to construct the Michael line the purpose of which was to afford shelter for our troops should the arc of the chord become untenable in case of a serious attack. Indications that such an attack was coming became evident early in September."

"The evacuation of the advanced terrain accordingly was ordered and initiated long before the attack took place. Orders to complete the evacuation were (Continued on Page 2, Col. 3).

### SAY FOE TROOPS ARE DISCOURAGED

Prisoners Taken By Americans  
Admit Morale of  
Kaiser's Army Weakened  
By Yanks.

(ASSOCIATED PRESS TELEGRAM)  
With the American Army on the Lorraine front, Wednesday, Sept. 18.—Five prisoners were captured by the Americans southeast of the village of Woel today. They belonged to the Fourteenth storm battalion and all agreed that even these crack troops are discouraged by the Franco-American successes north of the Marne and around St. Mihiel.

These units were rushed into the front lines after the Franco-American attack had begun last Thursday. The men said that Germany is hard pressed for men. This particular battalion had been in training near Briey. A night patrol of Americans captured the Germans without firing a shot.

The Germans were sleeping when the Americans crept up around them and captured them. They said that the majority of the men in their company had been withdrawn from this region when the Americans began their concentration a few days ago. The low morale of the German army was the reason that the resistance encountered by the Americans was not stronger, the prisoners declared.

One prisoner, a socialist, said the civilians in Germany are discouraged with the way the war is going and look upon the struggle as a capitalist effort. There is great depression in all parts of Germany as the result of the recent successes of the British, French and Americans, he said.

"Germans everywhere are at last realizing the fact that the Americans are good fighters," he continued. "They appreciate the fact that the American successes are encouraging to the allies and discouraging to the German soldiers." He said that the German troops estimated the Americans equal to the Germans as they were in 1914.

### ATTACK OF AMERICANS SURPRISED FOE ARMY

With the American Army on the Lorraine front, Wednesday, Sept. 18.—German prisoners captured during the American advance of last week, who have now been thoroughly interrogated, assert that it was the German intention to attack the St. Mihiel salient. This movement had been begun when the American attack surprised the enemy.

Owing to the shortage of artillery horses, the large guns in the salient were not all removed and those that were saved were gotten away with difficulty. The enemy is now engaged in setting up wire entanglements all along the American right flank.

Senator William H. Thompson recently returned from a visit to the battlefields in France, bringing with him a number of German weapons and pieces of equipment picked up at the front. The photo shows him exhibiting his souvenirs to a group of senators on the capitol steps at Washington. In the photo, from left to right, are Senators George B. Chamberlain of Oregon, chairman of the military affairs committee; Thompson, John J. Walsh of Montana and Morris Sheppard of Texas.

### SAYS MANY HUNS WOULD SURRENDER BUT FEAR IMMEDIATE EXECUTION

With the American Army on the Vesle, Wednesday, Sept. 18.—A German prisoner captured recently, suggested to his captors that they send a note from him to German soldiers, by airplane or otherwise, explaining that the report that Americans kill German prisoners is untrue. He said that many Germans were sick of fighting and would surrender if they were assured that Americans do not kill their prisoners, as the Germans have been led to believe by their officers.

An appeal, written in English, calling upon Americans of German ancestry to join the forces of Germany has been dropped behind the American lines by enemy aviators. It has also been sent into the American lines by means of small balloons. This appeal asserts that in Germany the Americans would find greater liberty and more opportunity for advancement than in the United States. It attacks President Wilson, asserting that he is more English than American. Germany is pictured as one poor little nation defending herself against the vicious attacks of armies of the whole world.

### GREAT PARADE WITH NAVAL BAND TO MARK OPENING OF LOAN CAMPAIGN

Patriotic and Fraternal Organizations and Civilians Will  
Participate in Demonstration Sunday, September 29—  
Musicians From Great Lakes Station To Be Featured.

The launching of the fourth Liberty loan campaign in Newark and Licking county will take place Sunday, September 29, and will be ushered in by a monster parade and suitable exercises. W. C. Metz, chairman of the Licking county Liberty loan committee, has been endeavoring to secure the Great Lakes naval band and has finally succeeded in securing this famous band for the above date. Mr. Metz has appointed the following committee of arrangements:

H. F. Darrow, chairman; T. J. Appleyard, Jr., R. L. Davis, George M. Penberg, A. E. Willett and Louis F. Carl. The committee is now making preparations for one of the largest parades and gatherings Newark has ever witnessed and it is desired that every lodge and fraternal organization in the city participate in the monster parade. ### FAKE GUNS PLACED BY ENEMY IN LORRAINE

(ASSOCIATED PRESS TELEGRAM)  
With the American Army on the Lorraine front, Wednesday, Sept. 18.—A German trick designed to deceive the allies has been discovered in the St. Mihiel salient, where the Germans abandoned large quantities of decoy artillery, big guns, little guns, mortars and machine guns, made of wood and sheets of iron and tin. This dummy artillery has been found in various sections, for the most part in places where it could be plainly seen by photographic observation.

It is assumed that the Germans believe the allies can be deceived by camouflaged artillery, and had hoped that the allies would plan a heavy attack on the sectors where the dummy artillery was located. Some of the larger "guns" were made of sheetiron, mounted on worn-out wheels that were scarcely able to stand even light use. In one town a shop where this decoy artillery was manufactured has been found.

(ASSOCIATED PRESS TELEGRAM)  
With the French Army in France, Sept. 18.—General Mangin's army attacked along the front, northeast of Soissons, today and captured the Colombes farm on the plateau just east of Sancy and just south of the point where the Chemin des Dames branches off from the road leading from Soissons to Laon. A strong counter attack of the Prussian Guards was repulsed by the French, who drove the enemy back of the road leading from the plateau of Ange Gardiens to the Colombes farm. This road is less than a half mile from the Chemin des Dames.

This success puts the French in possession of part of the important plateau of Ange Gardiens, which commands the ridge along which runs the famous "ladies' way" for a considerable distance. It also drives deeper the wedge south of the Hindenburg positions in the St. Gobain region and facilitates operations in the direction of Pion, which was held by the French until the German offensive late in May.

The fighting in this region has been most severe during the last few days. (Continued on Page 2, Col. 1)

### AMERICAN ACE IS KILLED IN BATTLE

Attacked By Four Enemy  
Planes, Lieutenant Putnam  
is Shot Two Times  
Through Heart.

(ASSOCIATED PRESS TELEGRAM)  
With the American Army on the Lorraine front, Sept. 19.—First Lieutenant David E. Putnam of Newton, Mass., American ace of aces, was killed late Wednesday afternoon while on patrol along the American lines.

Lieutenant Putnam was flying with Lieutenant Wendell Robertson of Ft. Smith, Ark., when they were attacked by seven German machines. Four of these made for Putnam's airplane and three attacked Robertson. The attack was sudden and unexpected and the enemy was able to fire from above.

Lieutenant Putnam was shot twice through the heart. His machine glided to the earth at Limey, within the American lines where he was found by his comrades. Lieutenant Robertson returned safely.

Lieutenant David E. Putnam, a descendant of General Putnam, was credited with 12 aerial victories. He was credited as an aviator with the Lafayette flying squadron and brought down his first enemy machine January 19, 1918. He was awarded the French war cross March 23 after having won victories in the air against five German airplanes in one day has been eclipsed only once during the war. Aviator Rene Fonck of the French army having destroyed six machines in one day. Lieut. Putnam's last aerial victory was reported Sept. 24.

### FOE TROOPS FEARED GREAT YANKEE ARMY

(ASSOCIATED PRESS TELEGRAM)  
With the American Army on the Lorraine front, Wednesday, Sept. 18.—Fear lest the Americans would advance and overwhelm them, bitter complaint at hand food and general despondency at the prospects of the war are the keynotes of letters written home by German soldiers and found on their persons when they were captured.

A certain American division which took more than its quota of prisoners has made an exhaustive examination of these letters and found that the morale, even of the men in the 10th German regiment—conceded to be the best opposing the Americans—is decidedly low. It is judged from private letters never intended for American consumption.

### GERMAN ARTILLERY HAS LOST ITS PEP

(ASSOCIATED PRESS TELEGRAM)  
With the American Forces in Lorraine, Sept. 19.—Entrrenched in the second lines of the Hindenburg system the Germans along the front southwest of Metz appear to have accepted the new situation. The tactics they are employing are wholly defensive ones.

The Germans are carrying out a half-hearted and seemingly perfunctory bombardment of the American lines. Even challenged by American and French patrols are refused by the enemy except where a conflict is inevitable.

### WESTERN RUNNING STAR IN SERVICE

W. Blaine Patton.

The state of Indiana has sent many of its sterling athletes to serve in the army and navy and reports from the front show that they are doing their part. Among those who have joined the colors is W. Blaine Patton, formerly star all-around athlete of Vabash college. Patton has entered the artillery officers' training school at Camp Taylor. He holds a number of records on the cinder path and was the intercollegiate champion half-mile runner of the state for three years.

### FOE'S SECURITY IS MENACED BY BRITISH THRUST

Germans Desperately Resist  
English Troops Before  
St. Quentin

THREE VITAL DEFENSE  
LINES ARE IN PERIL

Enemy Has Been Driven  
From Forward Posts of  
Hindenburg Line

(Compiled From A. P. Dispatches.)  
British troops in desperate fighting are plunging further into the Hindenburg line, north of St. Quentin, while west of Cambrai they have withstood vicious German counterattacks. The enemy is making every effort to retain his positions on the 20-mile front and to check the new allied move which threatens both St. Quentin and Cambrai.

In Macedonia the Bulgarians are in flight northward before the Serbians and French. Hurled from important heights, the enemy now has been forced back 12 miles and the pursuit continues.

How serious was the menace to the security of the Hindenburg line by the British thrust north of St. Quentin is shown by the strong counterattacks the Germans have thrown against the British lines from Gouzeaucourt to the Arras-Cambrai road, thus extending the battleline nearly two miles to the northward. On the front attacked yesterday the British are pushing ahead against bitter resistance toward the St. Quentin-Cambrai high road, railway and canal—three important enemy defense lines.

From Lempire to Pontreuet, which the British now hold, the Germans have been hurled from the forward lines of the Hindenburg position. The British at Lempire are four miles from Le Cat allet, an important town, while on a front of nearly six miles they are within one mile of the high road and the canal. On the short front west of St. Quentin, the French are working steadily toward the town and are on the outskirts of Dallon—two miles from St. Quentin.

German counterattacks at Trescault and Mouvaux, southwest and west of Cambrai, were preceded by an intense artillery bombardment which severed the British communication lines. At (Continued on Page 2, Col. 4)

### GAIN NEW POSITIONS ON HINDENBURG LINE

(ASSOCIATED PRESS TELEGRAM)  
London, Sept. 19.—The British last night made further progress in their drive into the Hindenburg line in the St. Quentin region, aimed at the entrenched position of that town, according to Field Marshal Haig's official statement. In a continued advance, north of Pontreuet, they reached the outpost position of the Hindenburg line.

The Australians renewed their attacks and carried the Hindenburg outposts. Many prisoners and a number of machine guns were taken by them.

The town of Lempire was captured, as was Gausche wood (Lempire is four miles directly west of Le Cat allet). The Germans late yesterday started a heavy bombardment on the northern part of the battlefront, southwest of Cambrai, between Gouzeaucourt and the Arras-Cambrai road. The fire was of extreme intensity.

The enemy followed his bombardment by a strong infantry attack on a wide front, northward from the vicinity of Trescault, southwest of Cambrai. He

London, Sept. 19.—The Bulgarians are in flight in Macedonia and are burning stores and villages, according to a Serbian official statement received here.

The allied troops now have advanced more than 12 miles and their progress is so rapid that they have not been able to count the prisoners and war material taken. New regiments thrown in by the Bulgarians have been forced to retreat with the others.

The Bulgarians have been defeated completely and the Serbian troops are pursuing them day and night. The Serbian and French troops have taken the towns of Topolesht, Potshishta, Beshishta, Melynitsa, Vitolishta and Rasimbey. They have also taken the height of Kuchov Kamem.

### BRITISH CAPTURE 8000 IN OFFENSIVE

(ASSOCIATED PRESS TELEGRAM)  
With the British Forces in France, Sept. 19.—Field Marshal Haig's forces up to midnight last night had captured a total of more than 8,000 Germans as the result of their drive of yesterday on the Cambrai front.

Several thousand yards of the Hindenburg outpost line was in British hands this morning in the Villeret sector, southwest of Le Catel.

Forty guns were captured by the British yesterday. In the 8,000 prisoners taken 23 German regiments in eleven divisions were represented.

(ASSOCIATED PRESS TELEGRAM)  
Paris, Sept. 19.—French troops last night continued their progress in the region of St. Quentin and penetrated the German positions at Contescourt, three miles southwest of St. Quentin.

was completely repulsed at all points with great loss.

He was likewise driven off with heavy casualties shortly afterward when he launched a strong attack north of Mouvaux, west. Some German parties that succeeded at points in entering the British trenches were entirely disposed of by counterattacks.

### FAIRBANKS ELECTED HEAD OF OHIO ELKS

(ASSOCIATED PRESS TELEGRAM)  
Columbus, Sept. 19.—Charles W. Fairbanks of Marion, was elected president of the Ohio Elks association today at the closing business session of the annual reunion. Columbus was chosen to again entertain the convention next year.

President Fairbanks, succeeds Jesse W. Smith, Washington, C. H., who was elected trustee. John W. Kauffman, exalted ruler of the Columbus lodge, was elected first vice president of the state association, and Secretary John W. Ranney, Columbus, was re-elected secretary of the association.

W. S. Forie, Cincinnati, second vice president; Alton Maurer, Sidney, third vice president, and Loren H. Davis, Galion, treasurer, complete the list of officers.

### JOHNSON NOT WOUNDED IN ACTION IN FRANCE

(ASSOCIATED PRESS TELEGRAM)  
Cleveland, Sept. 19.—The Rainbow division boys, who have given the German a taste of America's fighting ability, "do not know when they have enough." They know nothing but fight, and their idea is that they must keep at it until there not any one left to fight with.

That was the statement today of Private Clifford M. White of Circleville, O., one of seven wounded American soldiers who reached Cleveland today to aid in the Fourth Liberty Loan drive. White, who is 26 years old, enlisted in the Fourth Ohio Infantry, July 21, 1917, and went over with the Rainbow division. He lost his left arm June 10 this year, in the fighting at Cantigny. The seven veterans will stimulate interest in the Fourth Liberty loan campaign in Cleveland by stories of the heroism of American soldiers at the front.

(ASSOCIATED PRESS TELEGRAM)  
Evansville, Ind., Sept. 19.—"Unconditional surrender" is demanded of the German nation in a resolution to be sent today by the War Mothers of America, holding their first national convention here, to President Wilson, General Pershing and the American Expeditionary Forces in France. The resolution reads:

"Millions of war mothers of America, represented in national convention in Evansville, stand loyally behind you in your desire to make no peace until Germany and her allies surrender unconditionally."

The adoption of the resolution followed the reading of a telegram from President Wilson.

## FRENCH WITHIN

(Continued From Page 1)

The earth-works of the French line are stronger than anything of this kind hitherto constructed, but the soldiers behind them have not today the same fighting spirit that they showed a year, or even six months ago.

Prisoners now are complaining that they are frequently left in the front line to shift for themselves. Rarely do their officers stand by them when they are attacked, they say.

It often happens that machine-gun crews are ordered to hold positions and discover some time afterward that the troops behind them have abandoned the field. They attribute the concealment from them of the retreat of the infantry to the fear entertained by the officers that they might be tempted to abandon their posts if they knew that they were to be sacrificed.

## FRENCH ADVANCE UNDER GREAT DIFFICULTIES

With the French Army in Picardy.

Wednesday, Sept. 18.—(Evening)—The troops of the French army under General Debeney, who pursued the Germans from the region of Montdidier have, after a few days of comparative inactivity successfully resumed their attacks in the region of St. Quentin in conjunction with the British.

In spite of the long pursuit from the Aisne to the Somme with almost constant fighting since August 8, General Debeney's men are pressing the enemy with the same vigor with which they began the offensive in Picardy.

The French have advanced close to Dallon, less than two miles from the western outskirts of St. Quentin. Here they are fighting the Germans on the Hindenburg line and every inch of the ground is being disputed stoutly by the enemy. Apparently the Germans are determined to hold the plateau which lies just west of St. Quentin, south of Franchilly, east of Savy and north of Dallon.

General Debeney's troops have been obliged to attack it piecemeal and to advance by little bounds, slipping between machine-gun emplacements here and there, and sometimes making frontal attacks. Everywhere the French have been obliged to fight their way around or through obstacles that before this war would have been regarded as impregnable. The German infantry here is supported by artillery which puts down heavy barrages in front of the advancing waves and maintains a harassing fire against the rear and the lines of communication.

Progress under these conditions necessarily is slow, but the allied line is none the less surely advancing toward the outskirts of St. Quentin from the south and west as well as from the north.

## Decayed or Broken Teeth

Strange to say, in these days of advanced dentistry, the first thought of most people, when a decayed, broken or aching tooth is discovered, is to have it "pulled"; when by all that reasonable extraction should be resorted to only as the last and extreme measure.

Teeth are too valuable to be lost without an effort to save them. It is no firm conviction that 90 per cent of the extractions are unnecessary. The teeth could and should have been saved and the dentist who resorts to extraction without first showing his patient that a little filling or crowning of the tooth will save it indefinitely, is indifferent, to say the least, to that patient's welfare.

I never advise extraction unless as a last resort for relief.

## 2 ARE INDUCTED BY DRAFT BOARD

Men Are Sent to Toledo and Cincinnati for Special Training for Service.

Two Newark men left this city today on special induction into service. Frank Rufus Ryan was sent to Cincinnati to the mechanic's institute, and Paul Francis McDonough was sent to Toledo for special training.

The local board has received a bulletin from Surgeon General Rupert Blue, asking co-operation of the draft boards in instructing men who are physically unfit for immediate military service. They are asked to distribute pamphlets on "Information for Guidance and Assistance of Registrants Disqualified for active military service because of physical defects." In explanation the bulletin says a special appeal should be made to these men asking their co-operation to improve their condition for military service or for military service or for civil life.

Special leaflets also have been received from the War Department in the questionnaires. The old clause read "Persons engaged in industry including agriculture," while the substitute is "Persons engaged in industries, occupations or employments including agriculture."

The board of instruction recently appointed by the draft board with the members of the local board will meet this evening in the office of A. A. Stassel in the Home Building Association. The meeting is for the purpose of organizing and instructing the board of instruction, which will work with the new draftees in the matter of military instruction.

## BERLIN CLAIMS

(Continued from Page 1)

given on September 8. Without this prevention it would have been impossible to get away the advanced decisions as we did. The enemy was unable to follow up the withdrawal movement in time. Really serious fighting occurred only on the wing where it was necessary to hold up the enemy advance.

Owing to the fact that here and there our comparatively weak forces for days had to stem the enemy rush it was inevitable we lost prisoners, for our troops had orders to hold out to the last against superior numbers. These losses had to be borne to gain time for the withdrawal of troops and material still in the menaced region.

"Enemy reports about prisoners taken speak of a vanguard to discover their failure. Our losses in prisoners are as low as possible. The evacuation of the St. Mihiel bend undoubtedly is a German success."

It will be noted the statement does not disclose that "the enemy" was the American 1st army. General Pershing has reported that German prisoners captured totalled more than 15,000.

## FOE'S SECURITY

(Continued From Page 1)

both points the German were hurled back with heavy losses. The enemy's points but was immediately overwhelmed.

The Bulgarian retreat from the Serbo-Greek border is reported to be in the nature of a flight and the enemy is burning stores and villages in his path. The allies have captured additional prisoners and war material which have not been counted, so fast has been their advance.

A score or more of Serbian villages have been reconquered and the Bulgarians have been driven beyond Rabinov on the Cerna river, 15 miles southwest of Philip, the immediate objective.

It is not unlikely the Bulgarians will continue their retreat, at least to the improved road running east and west through Philip. Already their loss of the line west toward Monastir and east of the Vardar, with the allies succeed in pressing the Bulgarians back to north of Philip a complete readjustment of the Teuton lines in Macedonia and Albania from the Adriatic to Saloniki virtually would be inevitable.

## INVESTIGATES CAMP EXCHANGE OPERATION

(ASSOCIATED PRESS TELEGRAM)

Camp Sherman, Chillicothe, O., Sept. 19.—With a view to getting ideas how other military-owned and managed exchanges are operated, Captain Henry Graham, military manager of Camp Sherman, will leave here in a few days to inspect the exchange at Camp Taylor, Kentucky, and Camp Gordon, Georgia. Exchanges at these two camps are military-owned and operated, while the exchange system at Camp Sherman is practically operated by concessionaries and managed by military officers.

Several weeks ago Colonel Rivers, commanding, appointed Captain Graham president of a board to devise the best method of the military buying stock in the exchanges here now owned by concessionaries. This board has held two conferences, but so far has been unable to agree on the best method of operation. Hence the trip of Captain Graham to the other camps. Secretary Newton D. Baker recently ordered the purchase of the stock in the Camp Sherman exchange owned by the concessionaries, but this has been delayed owing to lack of funds in the exchange treasury.

Elyria, O., with the aid of four of Camp Sherman's soldier-brothers, will endeavor to "go over the top" in the third stamp campaign next Saturday. Elyria has asked the Knights of Columbus here to send four boys to take part in the big publicity program, and Tony Zell, Youngstown; Bryan Downey, Columbus; Johnny Driscoll, Cleveland, and Touhy Ramser, Lorain, were selected. It is probable if a bond between Elyria and some Elyria boy cannot be arranged, Driscoll will match the Columbus wildcard.

TO MY FRIENDS AND PATRONS:  
Starting next Monday and continuing until further notice, I am compelled to advance the scale of PHOTOPLAY PRICES at the  
**AUDITORIUM**  
Newark's Classy Playhouse where, as you all know, you get the BEST OF EVERYTHING that is available in the amusement line.  
This is an era of extraordinary service and responsibility and we are all aware here at the Auditorium of our particular duty. As you are aware, I have promised you the best in PHOTOPLAYS, no matter the cost. You have had them here—you perhaps have seen the crowds and have said, "Gee, that fellow is making a MILLION."  
Well, you're all wrong. The cost of films, the operative expense, a five-piece orchestra, the advance in salary of nearly all the employees, have made me hustle to make both ends meet, so I feel that the slight advance in prices, as noted below, would hardly be noticed.  
Just note the prices in other towns and cities nearby, and you will even say, "Fenber, you haven't raised the admission yet to where it should be."

The story of the greatest decision in a woman's life. The highest type of classic production. Six big reels.

Jungles, where two months were spent making the scenes of the story.  
Six lions, four tigers and a number of panthers, wild bears and elephants were transported to the Brazilian wilds for use in the picture. Four lions were killed before the camera and a number of other wild animals slain. Over 2,000 feet were engaged, assembled at Manaus and transported inland and rehearsed for three weeks before the scenes typifying cannibal action were staged. As the natives spoke nothing but a Portuguese patois, a number of interpreters were kept constantly on the scene and busily engaged conveying the director's wishes.  
Pushmen were necessary to clear the locations each day of poisonous reptiles and during the ten weeks the company stayed in Brazil over 200 snakes were killed, 15 serious accidents happened to the players in the company and three fires occurred.  
The big ten reel feature is now being shown at Mary Fenberg's playhouse, the Auditorium and will be screened according to following schedule as near as possible. Matinee, 1:30 and 3:40. Nights, 7 and 9:10 p. m. Saturday the showings will be continuous, starting at 1 p. m. The prices elsewhere have run from 25 cents to \$1. Here they will be children 17c and adults 28c, covering the war tax.

Diana Rossion was so very rich and so very lovely that she was pestered to distraction by suitors who could forgive her for being lovely in view of her riches. When one very obnoxious suitor persisted in his unwelcome attentions she fled to her country home alone. Instead of the kindly old lodge keeper she found two tramps who had taken possession of the home to escape a riotous night storm. Diana was holding the little house against the siege of the ruthless tramps when Dick Webster happened along.

**LYRIC**  
The Hal Hoyt attractions are known as the clean shows, and the "All-Americans," playing at the Lyric this week, are living up to that reputation. Not a line or deed has the least suggestion of vulgarity. This big joy show is giving the best of satisfaction, and by the end of the week this popular little playhouse is going to be filled to capacity at every performance.

**QUALITY CONCERT SERIES.**  
Miss Kate Lacey announces the following Quality concert series of attractions and dates for Columbus:  
Mme. Gail Curel, the greatest singer in the world, Friday, Oct. 11.  
Louis Graveure, the greatest baritone of our generation, and Thelma Given, born in Columbus and studied with Auer, Nov. 22.  
Hippolyte Lazaro, spectacular Spanish tenor, with high E and D. Hula Lashanska, American dramatic soprano, Metropolitan Grand Opera company in scenes from the operas, Dec. 10.  
Rudolf Ganz, "king of pianists," and Caroline Lazari, prima donna, contrast to the Chicago Grand Opera company, April 1st.  
San Carlo Grand Opera company, with full orchestra, chorus and internationally famous artists, the middle of April.  
Price of the series of five concerts, \$5.00, plus war tax. Single tickets for Gail Curel will be \$2.50, plus war tax. This will be Gail Curel's last appearance in Columbus. Seat sale, October 7th, 56 Chamber of Commerce. Mail orders, filled according to date of receipt.

**AT THE HARTMAN.**  
Direct from the Midnight Frolic in New York, William Rock and Frances White will bring to Columbus a series of their famous specialties on Monday, Tuesday and Wednesday, Sept. 23, 24 and 25 at the Hartman theatre. Mr. Rock and Miss White have just completed a two-year engagement at the Zeigfeld Midnight Frolic in New York, a record which will no doubt stand for many years for a co-entertainer engagement. In New York on the world famous Zeigfeld Roof, audiences never tired of the fascinating Miss White and her brilliant co-worker. Here they could have remained for an indefinite period but Mr. Rock was finally won over by theatre managers throughout the country who desired their patrons to see these two extraordinary artists.  
When one comes to visit new friends you naturally put on your best clothes and with this old idea in mind Mr. Rock and Miss White will bring to Columbus the best of their repertoire of 50 specialties. Miss White will be heard in all the numbers now made famous through the medium of the phonograph. Mr. Rock will be seen in the series of specialties that has established him as the greatest individual entertainer that the theatre has ever known. Assisting Mr. Rock and Miss White will be the famous New York City Club Orchestra of twenty singers and players.

### Try This If You Have Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the fingers tips. By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.

### KEEP THE CHILDREN WELL

Unless looked after children are prone to neglect themselves and become constipated.

#### Bliss Native Herb Tablets

are a wonderful remedy for constipation. They act gently on the stomach, liver and bowels, tone up the system, bring back the glow of health, improve the appetite, and are easy to take. ## MAN MAY FACE BIGAMY CHARGE

Sheriff is Told That Man  
Held Here Has Another  
Wife in Sandusky.

Now developments with a probable charge of bigamy confronts Jesse Gauntt, who was arrested this week on a statutory charge made by his wife, Jane Gauntt, according to an investigation conducted by Sheriff Charles Swann. Gauntt was first arrested by the marshal of Ulca for defrauding a board bill. His wife then filed the other affidavit against him. Gauntt and Jane McCoy of this city were married in April a year ago, and according to information said to have been secured by Sheriff Swann, Gauntt later married a Dolie Sehl of Sandusky. The Sehl woman came to Newark and stated she was the wife of Gauntt. Last night her brother-in-law, Chilton, and her brother came to Newark to learn the details of the case, and then wired the chief of police there to file a warrant for the arrest of Gauntt. The bigamy charge will have to be prosecuted in that county. The first Mrs. Gauntt is ill at her home here, and it is claimed that Gauntt was married before his marriage to her to an Indian woman, but that he claimed to be divorced. The chief of police from Sandusky is expected in the city today to take Gauntt to Sandusky to face a bigamy charge by the Mrs. Gauntt of that city.

### The Ohio War Board Says Today

It takes money to protect the soldiers. Here are some of the things that your money will do. Ten persons buying one Thrift Stamp per week will every month supply a soldier with one gas mask. Fifty persons buying one Thrift Stamp per week will every month provide anesthetics for making 400 operations painless. One hundred and twenty persons buying one Thrift Stamp every week can supply the food for 10 men continuously. One \$50 liberty bond applied by the government would take care of the trench wounds which can be cured for with first aid packets. One \$50 liberty bond will buy 112 hand grenades, or 19 cases of surgical instruments for officers' belts, or 37 cases of surgical instruments for enlisted men's belts.

### KAISER DECORATES LUTHERAN CHAPLAIN

Amsterdam.—Correspondent of the Associated Press.—Emperor William has conferred the order of the Black Eagle on his Lutheran court chaplain, Dr. Dryander, who now becomes automatically von Dryander, as the order carries with it the patent of hereditary Prussian nobility. This is believed to be the first time that a Lutheran clergyman has been raised to the Prussian nobility.

## ONE FIREMAN BENEFITS BY SALARY INCREASE

But one member of the fire department profited by the new salary ordinance passed by the council Monday night according to a statement made Thursday. The ordinance granted an increase only to first year men and there is but one in this class in the fire department. Four patrolmen come in the same class, it was stated. The request of firemen for one day off in five was not granted by the new ordinance, though firemen claim that this would not entail any additional expenditure of money.

## SOCIAL EVENTS

**Farber—Frael.**  
On Tuesday afternoon Rev. C. H. Stull, pastor of the First Baptist church, solemnized the marriage of Mr. H. F. Farber and Miss Eloy Frael at the study of the church. Both reside in Pataskia, the bride being interested in social settlement work while the bridegroom is a lieutenant in the U. S. Army, stationed at Camp Mills, N. Y. He expects to leave soon for service abroad.

**King—Musser.**  
Announcement of the marriage of Miss Kathryn Musser, and Mr. Oro Oliver King, the ceremony being solemnized at 4 o'clock, Wednesday afternoon, in the study at the First Baptist church.

There were no attendants and the service was read by the pastor, Rev. C. H. Stull. The bride is the niece of Dr. and Mrs. C. D. O'Hara, of Hudson avenue, with whom she makes her home. Mr. King was formerly a registered pharmacist in Columbus, but is now stationed at Camp Sherman in the medical corps. Mr. and Mrs. King left for a short automobile trip, the bridegroom having a furlough of five days.

Mrs. Clarence Helsey will entertain the members of the Friday afternoon sewing club tomorrow at her home in the Granville road.

The members of the Ladies Aid society of the Second Presbyterian church will be entertained at the home of Mrs. Henry Woodbridge on 21 South First street on Friday afternoon at 2:30 o'clock.

## THE COURTS

**Says Wife Deserted Him.**  
In the divorce case of Emma Shrock vs. William Shrock, the defendant has filed an answer in common pleas court. He admits being married to the plaintiff and that they are the parents of two children. He asserts he was a faithful and loving husband, and that he had provided numerous homes for the plaintiff, but that she was dissatisfied; had deserted him, and left their home on many occasions. He prays the petition be dismissed and that he be given all relief.

**Asks for Divorce.**  
Mary Jacobs has filed suit for divorce against William Jacobs in common pleas court. The petition states they were married in February, 1915, in Pittsburgh, and have no children. The plaintiff charges gross neglect of duty, failure to provide for three years. She asks for a divorce.

**Charges Abandonment.**  
In the petition for divorce filed by Georgia Benford vs. Albert Benford in common pleas court, she states they were married August 21, and that the defendant abandoned her August 26, of this year. She charges him with gross neglect of duty, failure to provide, and refusing to provide plaintiff with a home, food or clothing. She asks for a divorce and that she be restored to her maiden name of Georgia Brown.

**Gets Divorce Decree.**  
In common pleas court Wednesday, a decree of divorce was granted to Orrin Alexander in his petition against Ada Alexander. The plaintiff also was awarded the custody of the minor children.

**Court Hears Evidence.**  
In common pleas court on Thursday the court heard a portion of the evidence in the case of Oliver Frush vs. John F. Redding and Laura Redding, and the remainder of the testimony will be taken on Tuesday next. Plaintiff asks for a permanent injunction to restrain defendants from maintaining a gate across a right of way, which plaintiff claims has been open

### Milady's Boudoir

**Beauty Destroyers.**  
Many a woman suffers from indigestion simply from lack of exercise. If this is brought about by wealth or indolence, I have but little pity to express, even if she has lost her beauty on account of it. Indigestion is usually the result of a continued wrong diet.

To begin with, fruit enough is not eaten. It is looked upon as more of a luxury than a food. Abroad it is quite the opposite and the table at every meal is supplied with fruit. If every one would eat more fruit and less meat, many a doctor's bill would be avoided. We would then realize that gardens and orchards are the best drug stores in the land.

One of the best fruits is the apple. The large percentage of phosphorus it contains makes it a brain food of high value. The acids of the apple are most useful for persons of sedentary habits whose livers are sluggish in action and need stimulation. In fact, one may justly call the apple "nature's cathartic." I might also add that the eating of apples is most beneficial to the skin and complexion.

Overwork and worry often cause nervous physical collapse. In such cases food and sleep should be prescribed. Perhaps one will have no desire to eat, nevertheless it is imperative, for with plenty of easily assimilated food and plenty of rest and fresh air, the sooner will nervousness and weariness be overcome.

In case that one has really no appetite and eating is an actual effort, liquid foods should be given. Raw eggs and milk rank high in value. In fact, they not only satisfy hunger but are also quite nourishing. To live above worry is no easy task, especially for a person of a nervous temperament. Nevertheless, it is possible and can be attained through the power of the will.

### Every Day Etiquette

"A girl friend of mine has a cousin visiting her. Is it my place to call on them or should she bring her cousin to call on me?" asked Mona.

"If the cousin be a girl you should call upon her first. If it is a male cousin, he should be brought to your home," said her aunt.

## OBITUARY

**George W. Shaw.** 65 years. George W. Shaw, aged 65 years, died at the home of his daughter, Mrs. J. O. Mitchell in 465 Tuscarawas street, at 10:45 o'clock this morning. Death followed an illness of ten weeks. He is survived by four daughters, Mrs. Mitchell, Mrs. Ella Patterson and Mrs. Walter Reel of Newark, Mrs. E. E. McCleary of Cambridge, and one son, John Shaw of Guernsey county, 11 grandchildren and four great grandchildren.

The funeral services will be held Friday evening at 7 o'clock at the home in Tuscarawas street and the body will be taken to New Concord, Saturday for burial.

### Our Boys and Girls

If possible avoid traveling with a bottled baby, but if it is necessary and the journey is short, buy a wicker-covered ice box made for traveling purposes. Prepare and pack the milk as for your refrigerator at home. For a long journey supply unwatered condensed milk in small cans. Remember that condensed milk spoils when open, also that it is twice as strong as plain or whole milk and must be diluted accordingly. If condensed milk is fed the baby for any length of time, give strained orange juice between feedings, to supply a fresh element.

In place of the befrilled petticoats children are now wearing bloomers of the same material as the frock, attached to sleeveless undershirts. The comfort and common sense governing this practice need not be emphasized. For baby's wash cloths use surgeon's antiseptic lint. You will find that a 10-cent package will furnish you with at least half a dozen. Boric acid solution is quite necessary for baby's eyes. It should be slightly warmed before dropping into the eye.

# 76TH REGIMENT HOLDS REUNION

## Annual Gathering of Survivors of Famous Organization Takes Place Here

With a parade headed by the Old Guard and drum corps, a few survivors of the 76th regiment, O. V. V. 1, closed the forty-fifth annual reunion, held at Memorial Auditorium, Wednesday. An all-day program was carried out, business sessions transacted at the morning session, and a campfire held during the afternoon.

Addresses were made by Edward Kibler, sr., Attorney Ray Martin and M. R. Scott. Mr. Kibler's father was a member of the regiment.

Representatives of the officers of the association showed that there are but 72 survivors of this regiment which fought 44 battles during the 42 months' service, and which was recruited exclusively in Licking county.

At the morning session these officers were elected: President, Marion Christman; first vice president, W. A. Wintermute; second vice president, Edward D. Possee; and those elected for life: Treasurer, John Hiser; secretary, Johnston Haughey, now in the Soldiers' Home, Dayton, and chaplain, J. M. Scott. Cliff Rosebrough was re-elected acting secretary.

The secretary's report showed that the Great Commander had called 11 members of the association during the past year. Those who have died since the last reunion were:

Private James K. Jennings, Co. D, died August 17, 1918, aged 35 years.  
Obadiah Baughman, private, Co. A, died January 29, 1918, at Black Run. O. Sergeant Calvin D. Hand, Co. H, died February 5, 1918, at Appleton, O.  
Rash Wylarich, Co. G, died May 3, 1918, at Columbus, O.  
James Rhodolick, second lieutenant, Co. E, died September 28, 1917, at Liberty township, O.  
John Martin, Co. A, died at Perryton, O., June 25, 1918.  
Charles T. Darling, private, Co. D, died at Willard, O., October 18, 1917.  
William H. Coffman, private, Co. G, died Henry Daugherty, Co. D, died February, 1918.  
John Day, Co. H.  
John Bowman, died at Chicago, Ill., member Co. I.

A feature of the afternoon session was an address by Captain Kibler, a Confederate veteran, residing in Columbus, who has been made a honorary member of the association.

# THE MARKETS

Wall Street.  
(Associated Press Telegram)  
New York, Sept. 19.—Changes were unusually narrow at the opening of the stock market today with the trend definitely upward, soon crystallizing into a more positive show of strength among some of those stocks which were conspicuous during yesterday's advance.

With the short interest reduced, the market sagged again, the decline being accelerated by considerable profit-taking in the oil, Texas company falling 2 1/2 and Mexican Petroleum 1 1/2. Reactions otherwise were limited to fractions and there was not a great quantity of stocks pressing for sale, the markets course being governed by purely technical conditions. Near midday the list again stiffened.

**Chicago Grain and Provisions.**  
(Associated Press Telegram)  
Chicago, Sept. 19.—Wheat predictions resulted today in a decided upward swing of the corn market. Opening prices, which ranged from 1 1/2 to 1 3/4 higher with October 1.52 1/2 to 1.53 and November 1.48 1/2 to 1.49 1/2 were followed by a moderate reaction and then by a rally.

Oats rose with corn. After opening a shade to 1/4 c @ 1/2 c higher, with October 7 3/4 @ 1/2 c to 7 3/4 c, the market scored further gains.

Lower quotations on hogs weakened provisions. Most of the business was in ribs.

**Cleveland Poultry and Produce.**

## Tint the Gray Hairs Away

Give the Natural Beauty of Your Face a Chance. Don't Spoil It by Permitting Unbecoming Gray or Streaked Hair to Show.

Gray hairs are never welcomed by a woman. Many women are so em-  
ployed that gray hairs would lose  
them their positions and incomes.  
And to practically all women, gray  
hairs means the loss of attractiveness.  
One simple application of "Brown-  
tone" will instantly tint the hair and  
surely bring back a youthful appear-  
ance.

You need not hesitate to use  
"Brown-tone"—for no previous ex-  
perience is necessary and no harmful  
results can possibly follow from its  
use.  
"Brown-tone" is the one prepara-  
tion of its kind and is guaranteed  
to be entirely free from sulphur,  
lead, silver, mercury, and antine-  
mal far products of their deriva-  
tives.

"Brown-tone" will give any shade,  
from light golden brown to the deep-  
est brown—or black. It is sold by all  
leading drug stores and toilet coun-  
ters everywhere. Two sizes, 35 cents  
and \$1.15.  
A sample and booklet will be sent  
you (from manufacturers only) upon  
receipt of 10 cents. Mention shade de-  
sired when writing or purchasing.

ogical Co., Suite 405 Coppel Bldg., Covin-  
ton, Ky.

## SOLDIERS AT FRONT APPROVE U. S. REFUSAL

Declare "Kaiser Can't Put Anything Over On Wilson" in Offering Compromise Peace

(ASSOCIATED PRESS TELEGRAM)

With the American Army in France, Sept. 19.—From the manner in which the American army received the news of President Wilson's reply to Austria-Hungary peace note, its attitude might be characterized as one of grim approval.

The report of the Austrian suggestion that a peace conference be held circulated rapidly yesterday from head-quarters in the rear to the front line trenches and the officers and men alike expressed the belief that none of the allied governments, certainly not theirs, would yield to what they regarded as a trick of the central powers to gain time.

As the news of President Wilson's brief answer moved steadily toward the outposts and was passed on by one soldier to another, there was a feeling of relief among the officers of high rank and an air of satisfaction among the enlisted men. The attitude of the soldier, often repeated was:

"Sure he won't. The Kaiser can't put over anything like that on him."

The American army as yet only slightly scarred by war, has all the enthusiasm that characterizes all armies at the beginning of hostilities. The

Americans wish Germany to be defeated.

The Austrians prisoners in the hands of the Americans appear to realize the danger to them of the constantly increasing American army and are not inclined to under estimate the menace

that goes with the enthusiasm born of a victory so easily bought as was that in the St. Mihiel salient. The Austrians continue to insist that the peace offer was not a trick of Germany's, but that it should be attributed solely to Austria's determination to get out of what her people regarded as a bad bargain.

## LOCAL NURSE TO ENTER RED CROSS

Miss Dorothy Ellis, graduate nurse, has received notification that she has been accepted for service with the Red Cross.

Miss Ellis, who lives in Commodore street, was graduated from the training school at the City hospital. She has been instructed to be ready to report for duty October 10, but the assignment to a particular camp has not been made.

## THORNTONVILLE DOCTOR ENTERS SERVICE

Two professional men of Thorntonville have tendered their services to the government. Dr. F. L. Clemson has enlisted in the medical corps and expects to be called to service soon.

Homer Wittmer has enlisted in the veterinary department, and is awaiting the call.

## REPLY PLEASES HARDING

Washington, Sept. 19.—Senator Harding finds himself in thorough agree-  
ment with President Wilson's reply of 68 words rejecting Austria's peace overture. "President Wilson never made an utterance that I approved so highly as I do this one," said the Senator. "It is the biggest strike in all the war messages."

## I BLAME THE WOMAN WHO LETS A MAN DRINK SAYS DRUGGIST BROWN

Of Cleveland. He Guarantees a Simple Home Treatment Given Without the Knowledge of the Drinker.

Cleveland, O.—No wife has a right to let her husband drink; for alcoholism is a disease and a drunkard is a sick man, says Druggist Brown of Cleveland. A woman can cure this disease—stop a drinking husband in a few weeks for half what he would spend on liquor in the same time.

The habit can be broken and the disease cured. Thousands of cases prove it and every community has its reformed drunkard. Druggist Brown says the right time to stop the drink habit is at its beginning. Left to run its course it will weaken the fine sensibilities of the man you love. Begin with the first whiff of liquor on his breath, but do not despair if he has already gone from bad to worse until he has become a rum-soaked sot.

Druggist Brown knows the curse of strong drink for he himself has been a victim. A loving sister, without his knowledge or consent, rescued him from the brink of a drunkard's grave, and for ten years kept her secret. She

saved him from drink—rescued him from his own depraved, besotted self by giving him a secret remedy, the formula of an old German chemist. To pay his debt to her and help other victims out of the mire and mire he has made the formula public.

Druggists everywhere dispense it daily as Prepared Tescum Powders put up in doses. Get it of your own druggist and drop a powder twice a day in tea, coffee, milk or other drink. Soon liquor does not taste the same, the craving for it disappears and lo, once more drunkard has been saved and knows not when or why he lost his taste for drink.

Warning Note—Tescum should be given only where it is desirable to destroy all taste for alcohol and all pleasure in its use. Those who encourage moderate drinking should not give it until the so-called moderate drinker reaches the danger line, as most of them do in time. Druggist Brown has such confidence in prepared Tescum Powders that he personally guarantees results or he will refund out of his own pocket the price charged by the dispensing druggist. It is sold in Newark by T. J. Evans. (Adv.)

This Season  
You Must Use  
Unusual Care in  
Buying Sleepingwear

In order to secure well made garments, of good material and now that the first cool, snappy nights are upon us, it is time for you to plan how you are going to

SLEEP SNUG AND WARM THIS WINTER

and still sleep in the fresh air. Fresh air sleeping doesn't necessarily mean you should sleep out of doors, but it does mean you should sleep with your windows open—so that you will waken in the morning feeling rested from your sleep. To bring such an ideal sleeping condition without easy reach of every man, woman and child we recommend the

BRIGHTON-CARLSBAD SLEEPING WEAR

It's a night wear made for men, women and children of all ages and sizes, and includes a most complete line of pajamas—night gowns—night shirts and sleepers.

BRIGHTON-CARLSBAD night wear is made out of a fabric especially processed for warmth and comfort, soft, yet durable and very absorbent. It washes beautifully and maintains its downy softness as long as it is worn. You've probably read of it in numerous magazines, but we want to show you these attractive, well made garments, so that you can see the quality of the materials used—the excellent tailoring—the good pearl buttons, and neat braid edges used for trimmings.

It's to Your Interest

to see this splendid night wear now and select your winter wants now while stocks are complete. These come in all white, as well as pretty light grounds in pink blue and tan. The cost is no higher than for the ordinary garments, and just as a guide to you we mention—

- Men's Night Shirts \$1.75 TO \$2.50
- Men's Pajamas and Pajunions \$1.75 TO \$2.75
- Ladies' Gowns \$1.50 TO \$3.00
- Ladies' Pajamas and Pajunions \$2.00 TO \$3.00
- Sleeping Garments For Children made with feet a part of the garment \$1.00, \$1.50 AND \$2.00

GET APPEAL FOR HOSPITAL GOODS

Granville Women Exert Selves To Fill Urgent Order From Paris Headquarters of A. F. F. W.

Granville, O., Sept. 19.—In response to a cablegram from Paris headquarters to the various committees of the A. F. F. W. to rush surgical dressings and to speed up the program for hospital supplies, so desperately needed, the Granville women have taken hold with renewed zeal. The meeting on Tuesday was well attended all day, and over 200 of the new surgical 4x4 pads were made, under direction of Mrs. Frank Ray. All the rooms were well filled with workers. The executive board voted that the \$500 appropriation by the war chest be used at once in the purchase of needed materials for surgical and hospital supplies, and that the rooms be opened on Friday for work all day.

In order to contribute to the war emergency fund so badly needed over there in immediate relief of the American boys in French hospitals, it was decided to give a party next week. Hostesses at once volunteered, who will contribute the cost of the supper, and turn the entire proceeds from the sale of tickets into this emergency fund, leaving intact the war chest donation. The committee is now appealing for thousands and thousands of comfort bags for these wounded men in French hospitals, and the local committee will send 50 of the Christmas bags this month, besides those furnished by individuals.

The beautiful patch-work quilt made by members of the Winter Picnic club, to be sold for the benefit of the A. F. F. W., was displayed in the rooms and was much admired. Mrs. Charles Robinson, in charge, will explain the manner of its disposal. The Three M's and L circle will meet on Thursday afternoon at the home of Miss Lily Jones, in the new garage. Members are requested to bring worsted pieces for patchwork.

The hostesses for the fall rally of the Ladies' Social Union, to be held on Friday afternoon in the Baptist church parlors, will be: Mrs. Darrow, Mrs. C. W. Chamberlain, Mrs. Chambers, Mrs. Mather, Mrs. Overturn and the Misses Charlotte Clark and Elizabeth Ewart. A charming program will be presented and a social time enjoyed.

Mrs. Ella Fraker has as house guest for a week, her sister, Mrs. Morse of Chicago.

Mr. and Mrs. S. E. Morrow entertained their brother and sister, Mr. and Mrs. Charles Harding of Akron, Tuesday. The two choruses of the Women's Music club, held their first rehearsals at the home of Mrs. C. J. Loveless, Tuesday evening.

At the mid-week prayer service in the Baptist church, Thursday evening, beginning promptly at 7 and closing promptly at 8 o'clock, Rev. C. C. Stanton will tell something of the great laymen's convention recently held in Chicago.

Mrs. C. D. Coons is holding open house this week, from early morning through the evening, accommodating the number of town ladies and college girls who have been helping in the work of copying the 3150 registration cards to be sent at once to Washington. As this is volunteer work in which no one can spend more than two hours at a session, it is not so rapidly turned out as that done by a professional office force.

Lieutenant W. A. Chamberlain, who has spent a two weeks' furlough with his family in Europe, is today on his return to Fort Oglethorpe, Ga., where he has been stationed since last spring. Lieutenant Chamberlain was the first of the Granville men beyond draft age to offer his services to Uncle Sam, and to do so unreservedly. His ability as a linguist has been utilized, and has kept him at Fort Oglethorpe. He is ready, however, to go to the front if he can best serve overseas.

Mrs. Henry Eaton of Burlington, Ia., and Mrs. E. B. Bartlett of Los Angeles, Cal., each with her small daughter, are visiting at "Wilkinholm" on the Columbus road, the home of their parents, Mr. and Mrs. James A. Huston. The sisters expect to take a house for the winter in Philadelphia where they will be more accessible from the respective stations of their husbands—Lieutenants Eaton and Bartlett of the United States army.

Beta Theta Pi entertained with a dinner party, Wednesday, September 18. The following guests were present: Misses Florence Carney, Gertrude Smith, Clara Olney, Margaret Sea-Sholes, Ruth Spencer, Birdie Knapp, Harriette McCann, Ella Howell, Elsie Collins, Annette Eldridge, Frieda Rummel, Katherine Hunt, Margaret Young, Margaret Wood, Leora Caldwell, Meredith Young, Ester Lang, Miss Mae Neill chaperoned.

The Alpha Eta Chapter of Beta Theta Pi announces the pledge of the following men: Steven Lapp of Granville, Carl H. Seibel, Norwalk; Harry M. Gibson, Cambridge; Otto K. Vance, West Union; A. H. Wiley, Camp Denison; Willis W. Spencer, New Straitsville; Dewey Hoskins, Bethesda; Chas. F. Wood, Williamsburg, Ky.; Willard Stone, Springfield, O.

Miss Louise Williams, daughter of Mr. and Mrs. Thomas Williams, who graduated from Denison university last June, left Tuesday evening for the east to assume the duties of teacher of zoology in Smith college. A recognition of ability most gratifying to her many friends.

ARMY CASUALTIES

The following casualties are reported by the Commanding General of the American Expeditionary Force: Killed in action: 59 Missing in action: 62 Wounded severely: 82 Died of wounds: 11 Died of airplane accident: 1 Wounded, degree unknown: 15 Died of disease: 12 Prisoner: 2 Died from accident or other causes: 2 Wounded slightly: 3 Total: 243 The Ohio casualties announced are: Killed in Action: Pvt. Lewis E. Daniels, Pomeroy. Died From Wounds: Pvt. Abraham D. Evans, Urbana. Wounded Severely: Pvt. Thos. L. Knott, Cincinnati. Died From Wounds: Pvt. Elmer Thompson, Weilsdon. Hard Luck. Quizzer—What's the matter, old man? You look worried. Sizzer—I have cause to. I hired a man to trace my pedigree. Quizzer—Well, what's the trouble? Sizzer—He's been successful? Quizzer—Success? I should say he was. I'm paying him bush money. St. Louis Globe-Democrat.

IT'S NOT YOUR HEART; IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. It strikes all classes, regardless of age, sex or conditions. A majority of the ill-afflicted people today can be traced back to the kidney trouble. The kidneys are the most important organs of the body. They are the filters, the purifiers, of your blood. If the poisons which are swept from the tissues by the blood are not eliminated through the kidneys, disease of one form or another will claim you as a victim. Kidney disease is usually indicated by weakness, a loss of energy, not coming to the point of complete exhaustion. Backache, a feeling of heaviness, aching joints, pain in bones and over the abdomen, fullness, gravel, rheumatism, scalding and lumbar. All these derangements are nature's signals to warn you that the kidneys need help. You should use GOLD MEDAL Haarlem Oil Capsules immediately. The soothing, healing oil stimulates the kidneys, relieves inflammation and destroys the germs which have caused it. Do not wait until tomorrow. Go to your druggist today and insist on his supplying you with a box of GOLD MEDAL Haarlem Oil Capsules. In twenty-four hours you should feel health and vigor returning, and will lose the day you first heard of GOLD MEDAL Haarlem Oil. After you find that you have cured yourself, continue to take one or two capsules each day, so as to keep in first class condition and ward off the danger of other attacks. Ask for the original important GOLD MEDAL BRAND. Three sizes. Money refunded if they do not help you.
